

Douglas Gets New Contract From Army

A contract for \$1,645,938 to design and develop an advanced pictorial cockpit display and install the system in an aircraft, was awarded to the Douglas Aircraft Co., the U.S. Army advised the firm today.

Concept of the advanced system is to increase effectiveness of a pilot through reduction of workloads.

The aircraft flight instrumentation system will include the most advanced concept developments of the Army-Navy Instrumentation Program. Design is to be suitable for all

types of Army aircraft. Development aims of the program are solution of space orientation through presentation of a contact analog flight path, solutions to fuel management, reduction of instrumentation, increased all-weather capabilities, and reduction of training time for instrument capability of pilots.

The contract covers design, development, fabrication, installation and flight demonstration of the system in an Army L-23D, or civilian equivalent light aircraft.

Work will be carried out at the company's El Segundo Division.

TB Campaign To Continue Says Sears

It's still not too late for local residents to contribute to the crippling respiratory disease campaign now being conducted by the Tuberculosis and Health Assn. of Los Angeles County.

This announcement was made today by Dean L. Sears, 1433 Post Ave., chairman of the educational and fund raising effort for the Torrance area.

"Crippling respiratory diseases are now affecting more than 330,000 residents of our county," Sears said. "The pioneer voluntary health agency in our area is now beginning research and community service projects which it is hoped

will find the answers to these illnesses which are so costly to both human misery and money.

More than \$125,000 is now being allocated by the association for chronic respiratory disease program. Every dollar contributed now will hasten the day when respiratory ailments will be brought under control."

Sermon Topic To Be Health

"Religion and Health" (religion does make a difference), will be the sermon topic at Seaside Community Church, 230th and Ocean Ave., on July 9, according to Rev. Wm. K. Schatz, pastor.

The summer schedule is now in effect with a 9 a.m. worship service and Church School (nursery through junior). Second service is at 10:30 a.m. with classes in nursery and kindergarten departments.

Bay Harbor Hospital Names New Staff Chief

Dr. Merle H. Boyce, well known Redondo Beach physician and surgeon, has been elected Chief of Staff for the Bay Harbor Osteopathic Hospital for the coming year. Dr. Boyce succeeds Dr. George R. Wall, of San Pedro, who served as the first chief of staff for the \$1,384,000, 50-bed hospital which was opened June 15.

WILLIAM FREDERICKS
New Holy Name Society Presy

Fredericks Heads Holy Name Society

The appointment of William Fredericks as president, and the naming of a new slate of officers for the Holy Name Society, was announced Sunday by the Rev. John P. Cremins, pastor of Nativity, Catholic church in Torrance.

Joseph Piatt will serve as the society's vice president and chairman of the membership committee for the 1961-62 term of office. The other appointments include Edward Cutchner, secretary; Norris Carstenson, treasurer; and Joseph Basile, marshal.

In addition to promoting the spiritual welfare of the men of the Nativity parish, the announced purposes of the society, according to Fredericks, will be to develop plans for increased participation in social and civic parish programs. The focal point of the society's program will be the new Nativity hall scheduled to be dedicated later this summer.

Speakers, musical entertainment, dances, family baseball and football parties, bowling teams, fiestas and other events will be included in the society's program for the coming year. The monthly communion breakfast will be renewed in the fall. The men and boys of the parish will receive Holy Communion in a body at next Sunday's 8 o'clock mass.

Measles Continue To Lead Disease List

Measles remained the number one reportable disease in Torrance for the third straight week, according to the Los Angeles County Health Dept. Three cases were reported.

Other reports included two cases of mumps, and one case each of Pertussis and Syphilis.
